

Defensive Driving School

Falkville offers a Level I Driving School for defendants who are charged with a minor traffic offense and who are eligible.

Driving School meets one Saturday each month at the Falkville Municipal Building. The class is open to defendants who have also received tickets from other jurisdictions providing they have been declared eligible.

Federal law does not allow anyone that holds a Commercial Driver's License to attend Driving School in exchange for a dismissal or reduction in charge in a traffic case.

Please call for more information on dates, time and cost.
